Letter No.G-1270-(L)., dated the 10th January 1919. from the Secretary, Indian Munitions Board, Delhi, to all Local Governments and Administrations.

---:0:---

I am directed to refer to this office letter No.G-678-(L), dated the 19th October 1918, in which attention was drawn to the control exercised by the Indian Munitions Board over dealings in steel plates, galvanised and black iron sheets, and certain other materials, and in which it was requested that all orders for these articles, when the quantities exceed certain prescribed limits, should be placed by the purchasing officer with the Munitions Board instead of direct with the dealers.

2. Since that letter was issued it has been found possible owing to the cessation of hostilities, to cancel the control order referred

referred to in it; and it consequently follows that the request is no longer necessary that orders for the articles in question should be placed with the Board instead of direct. I am to request therefore that the letter may be regarded as cancelled.
